REVIVAL

Design Enrique Martí

Revival chair
 W555 x D575 x H810 x SH455mm
 Packing: 0.490m³, 4pcs/ctn
 Stackable

Stackable and made completely of polypropylene (PP), a contemporary material instead of traditional wood, the aptly named Revival Chair retains the vintage charm of a much-loved classic design. Give this reinterpreted chair of a bygone era a distinct modern flavour with a choice from a great palette of colours.

PP Standard Colours:

PP Fashion Colours:

PINCH & OBIE

Design Cilicon Faytory

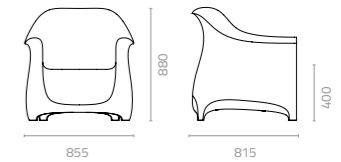

Design Attribute Design

This series features dramatic volume while preserving graceful, natural curves. The wide seats comfortably fit people of all sizes.

The Obie Arm Chair and Love Seat are designed for both indoor and outdoor spaces. Fashioned from polyethylene, this collection enjoys the considerable benefits of UV protection, imperviousness to fluids, durability and ease of cleaning. Using a single material in its construction also allows for cost-effective recycling.

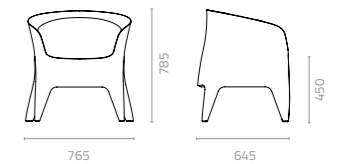

Pinch 1-seater sofa
 W855 x D815 x H880 x SH400mm
 Packing: 0.640m³, 1pc/ctn

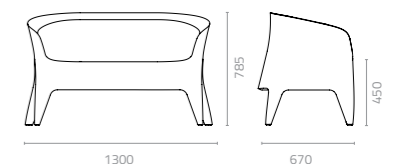

Pinch 2-seater sofa

LIPIA & RUMBLE

Design Cilicon Faytory

Design Attribute Design

Lipia highstool
W397 x D400 x H744mm
Packing: 0.200m³, 1pc/ctn

Even more than its refined aesthetics, the functional design of the Lipia Highstool makes it an outstanding choice for university canteens, hospitality bars, transportation centres and outdoor public spaces. The two-level footrests allow people of all heights to sit comfortably.

The Rumble Series has an element of fun about it. Manufactured using the rotational moulding process, the hardy bench and stool are highly suitable for heavy-duty indoor and outdoor use. Bright vibrant colours and rounded edges make this child-friendly series an ideal furniture solution in educational settings.

LLDPE Colours:

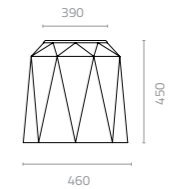

CAP

Design Enrique Martí

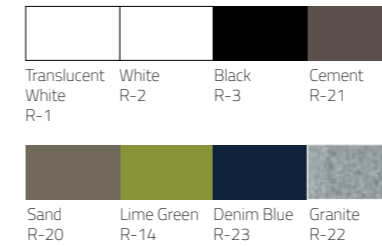

The Cap is a fun outdoor furniture item that serves two purposes. Sit on it as a stool, but turn it upside down and watch it transform into a flower pot. It's a single design with a choice of two different materials, depending on its intended use. Choose LLDPE for lighter, easier transport from place to place as well as for more colourful options (ideal for events). Or opt for the cement version for more permanent placements.

VERITAS

Design Enrique Martí

Named after the goddess of truth in Roman mythology, the Veritas Chair truly gives ease a new meaning. The bigger proportions of this 'traditional terrace' style chair ensure a feeling of roominess and generously add to its comfort. The stackable Veritas Chair is the obvious choice for those who prefer their chair seat to be a little less snug. Made of mild steel with e-coating and outdoor powder coat, metal slats or Artwood slats, this affordable industrial vintage-style chair is designed for shaded outdoor use and is available as Chair, Arm Chair and Barstool.

**Available in metal & Artwood*

Tina chair
 W560 x D590 x H756 x SH440mm
 Packing: 0.397m³, 4pcs/ctn
 Stackable

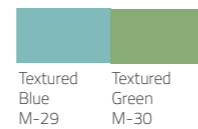

Despite its lightweight appearance, the Ellipse Chair is solid and strong. Constructed wholly of mild steel, this chair has an appreciably wider girth where the backrest joins the seat. The broad panels are also contoured just right to sturdily cradle even heavy-set persons. See it in a variety of interesting colours.

Metal Standard Colours:

Metal Fashion Colours:

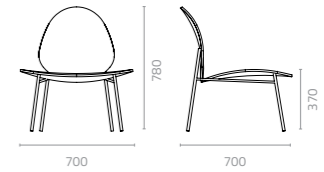

RAQUEL

Design Morten Georgsen

The Raquel Chair draws its inspiration from the mesh and oval shape of a badminton racquet head and adds a dash of daintiness to the design. With its shapely backrest, curvaceous wide-bottomed seat and rounded edges, Raquel oozes feminine appeal and is a joy to behold. The covered-outdoor chair is upholstered in Sunproof outdoor fabric and its mild steel frame is e-coated with outdoor epoxy.

Interlace barstool
W560 x D510 x H865 x SH770mm
Packing: 0.210m³, 1pc/ctn

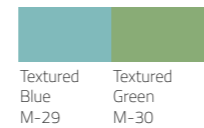

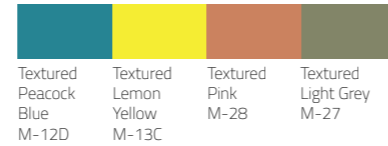

The Interlace collection is an excellent example of how sturdy furniture need not be heavy and bulky items. Minimalist in concept, the collection is elegance itself encased within strong structures of slim metal wires. The chairs are lightweight, stackable and give added comfort in the form of attractive customised cushions. Metal-topped Interlace tables offer a choice of three heights.

The Windsor Chair is the inspiration for the classical lines of the Wins Series. The vintage look of the design is simplified and modernised to cater to contemporary tastes.

Curves, contours and lines influence the design of the Wins Table set. Clean and simple in form, the concept is yet distinctive. The universal appeal of the design makes it an easy match with other furniture in any interior space. The Wins Series is available in mild steel.

VIENNA

Design Silvia Marlia

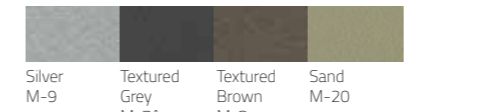

The 1930s are back again in the reinterpreted Vienna Collection. The design and aesthetics of indoor furniture are brought outdoors, complete with aluminium castors for easy manoeuvrability in open-air spaces. In a contemporary twist, a shiny powder-coated aluminium mesh replaces the classic cane feature; all frames are made of aluminium; and the cushioned seats and backrests are in Sunproof outdoor fabric.

WOVEN

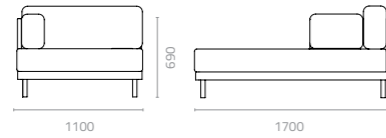

TCB (THE CHINA BED)

Design Enrique Martí

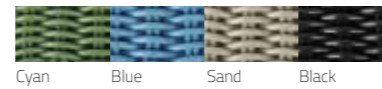

TCB lounge (left)
W1100 x D1700 x H690mm
Packing: 1.408m³, 1pc/stack

Talk about being luxuriously lazy in your back garden! Everything about The China Bed (TCB) recalls the indulgent ease of opium smokers on their beds in China's past. A sunshade keeps the sun from the eyes while one snoozes or reads and even getting up for a drink poses no problems. That's because TCB has a slightly sunken tray for holding a cup or glass. Corner units can be combined to form a two-seater.

Packing: 0.846m³, 1pc/stack

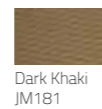

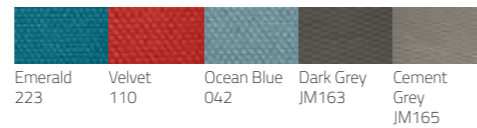

Fancy feeling cosily suspended in midair when sitting or lying down? Like big cradles, the 1-seater, 2-seater and 3-seater in the Neo Collection all seem to dangle weightlessly in the air, supported at both ends by legs of sturdy teak wood or powder-coated steel. Wide armrests easily balance a drink or a book. The Collection is constructed of flat wicker on aluminium frames with foam cushions in Sunproof outdoor fabric.

W1810 x D870 x H660-800mm

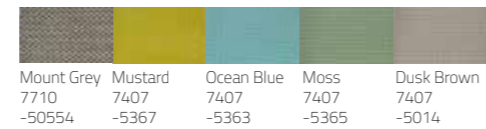

Packing: 1.070m³, 1pc/stack

Remember the swing seats of cherished childhood memories? A modern reinterpretation of the traditional swing seat, the Terrence recollects the carefree days of whizzing through the air on beautifully crafted wooden swing seats in a garden, a children's playground or on the back porch.

Packing: 0.880m³, 1pc/ctn
Stackable

The Leaf Collection is designed as a tribute to nature and to the beauty, geometry and resilience of cactus plants which flourish despite very extreme conditions. Leaf Fan and Leaf Oval, which has a lower seat, are lounge chairs while Leaf Oblong is a slim dining chair. The footrest doubles up as a stool or as a side table to complement the chairs. The family of chairs is inspired by the shapes of leaves.

Eva chair
W555 x D560 x H785 x SH450mm
Packing: 0.600m³, 4pcs/ctn

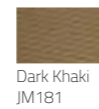

The Eva Chair is a dream come true for lovers of comfort. No cushions are needed for this wide-seated outdoor dining chair as the wicker is woven directly onto the quick-dry foam. The backseat is designed to fit snugly into the curvature of the spine and the softness of the padded seat invites you to dine in relaxed comfort in both indoor and outdoor environments.

MASSAI

Design Enrique Martí

Massai chair
W565 x D600 x H790 x SH450mm
Packing: 0.450m³, 4pcs/ctn

Vibrant, oversized and extremely comfortable, the Massai Collection reflects the vastness of Africa. This popular range of chairs has been extended to include a more contemporary lounge style but retains the same ethnic feel, soft surface and extreme comfort. New is the Massai Sofa or Chaise Lounge. Also new is the use of EPDM rubber, an extremely durable synthetic rubber membrane that's inserted as a solid rubber infill within the woven fabric to maintain the shape of the back and seat of the chair.

STONE

Design Collectivo

The Stone collection is inspired by the beauty of the natural world. It recalls the smoothness of pebbles and stones worn smooth by gurgling streams and flowing rivers. Zen-like in its simplicity, the collection features smooth round shapes, symmetry and the comfort of woven textile usually associated with hammocks. The weave is obliquely interlaced over a frame made of polyester powder-coated mild steel, a metal created via an electrolysis process. Seat pads and back cushions are optional and various finishes and shades give room for further colour contrasts.

There is something inviting about furniture that features graceful flowing curves, especially when arranged harmoniously together. The modular Snake Series beckons temptingly with a cosy flat wicker love seat that partners a matching ottoman and cocktail table. This aluminium-framed collection is ideal for lounge and waiting areas and in corporate environments.

 W3000 x D3000 x H3100mm
 Packing: 0.427m³, 7pcs/ctn

Aluminium Post

Marble with Stainless Steel Base

Elegance and practicality marry in the Deluxe Parasol. Conveniently installable at the side of a sitting area rather than in the centre, the parasol also has a 360° swivel and a stainless steel base with an attractive granite-embedded counterweight. The aluminium post and ribs form the frame for the water-repellent fabric.

Sunproof Fabric Colours:

----------------	---------------	-------------------

CASTRO & ROMA

The Castro and Roma Parasols offer the same convenient side installation, with slight differences in materials used. Castro's round parasol with aluminium ribs (available in two sizes) is suspended from a stainless steel post and base. The Roma Parasol uses aluminium for its ribs, frame and base, and for added stability, the base can be bolted to the floor. Both models have granite counterweights.
