

WORK-FROM-HOME SERIES

Kian[®]

WORK-FROM-HOME SERIES

The trend of working from home is slowly becoming the new normal and the need for a proper home workspace has never been more important. As most homes aren't well furnished and equipped to manage long hours of working, one's focus and productivity will surely be impacted. With the introduction of our KIAN Work-From-Home Series, we aim to help you build the perfect home workspace where you can work comfortably and efficiently without worry.

Whether you're working from home long term or just need a weekend workspace, we have a wide variety of smart, ergonomic furniture for you to choose from. Have a look at our range below and let us know your ideal setup that suits your needs.

WORK-FROM-HOME SERIES

FROM
SGD219

Screen panel and mobile pedestal sold separately

KEEN TABLE

A clean and sharp design for those who are keen on efficient and productive working. The Keen's minimalistic appearance allows it to complement any home interior and is easy to assemble to save you on time and effort.

The Keen comes paired with the Reli chair, an ergonomic high back office chair with adjustable height and tilt angle that maximises comfort.

All prices are inclusive of delivery charges.

EASE TABLE

If you're looking to incorporate smart and healthy working into your home, the Ease is the ideal setup for you. As sitting for long hours can cause a strain on your body, the Ease offers flexibility with its 4-memory height-adjustable table that eases you from a sitting to standing position, allowing you to stay productive with good posture.

The Ease comes paired with the Xavier chair, an ergonomic high back office chair with adjustable height and tilt angle that maximises comfort.

All prices are inclusive of delivery charges.
